

MC550RL-TIK

3130 N. Mitchell Road Indianapolis, In. 46235
800-968-6955 Phone: 317-899-6966 Fax: 317-899-6977

Rear Load

The NEW MC550RL-TIK is a very versatile Rear Load Ticket and Change machine that allows a variety of acceptance and dispense options, so you can design a machine to meet the needs of your amusement or carnival operations. The flexibility of the design allows for simple function cash acceptance and ticket dispense. You can also accept credit cards and dispense ticket packages, and accept cash or credit and dispense a combination of tickets and change for cash. This machine truly offers your customers more convenience and will help you sell more tickets without added manpower.

The MC550RL-TIK is built tough for security, and uses our proven Modular technology for reliable performance. Your customers want their tickets quickly, and now you have more flexibility in providing more convenience and increase your revenues. Contact Standard Change-Makers to get assistance in designing your next ticket machine!
