## Rear Load

Standard's Premier Series changers are considered the workhorses of the industry due to their durability, reliability and long life. These changers offer the most secure, best constructed cabinets available, and our System 600 Bill Acceptor offers superior security and programming functions to help you better manage your self service business. Premier Series machines are easily updated for new currency or software upgrades, and the System 600 Hoppers have proven to be the most reliable coin dispensers in the industry. It is common to see SC models in high volume business working for 10 to 15 years.

The SC34RL Changers feature:

- Rear Load configuration for Change or Tokens
- (1) System 600-EF Bill Acceptor with 3-Box Separating Stacker (2,400 bills capacity)
